

(ii) Suspending the recipient's authority to make draws under the C/MI System for affected activities;

(iii) Reducing (deobligating) the grant in the amount affected by the performance deficiency, including, in the case of implementation grants, failure to furnish matching contributions in the required amount;

(iv) Terminating the grant for all further activities and initiating close-out procedures;

(v) Taking action against the recipient under 2 CFR part 2424 with respect to future HOPE 3, HUD, or federal grant awards; and

(vi) Taking any other remedial action legally available.

(3) If the amount of grant funds that has been disbursed under the C/MI System exceeds the amount finally determined by HUD to be authorized (including any authorized deobligation), the recipient must repay such excess amount to HUD, and will have no right to reclaim or reuse such excess amount.

(c) *Failure to complete and transfer a property to a homebuyer.* If a property assisted under this part or credited as match is not completed and transferred to homebuyers as required under this part, whether voluntarily by the recipient or otherwise, grant expenditures on the property are considered ineligible, and HOPE 3 funds for acquisition and rehabilitation must be repaid to the program account. Preliminary costs (such as architectural and engineering, inspection, and appraisal fees) expended before acquisition are considered general program expenses and need not be repaid.

(d) *Failure to provide homeownership opportunities under an implementation grant.* Failure to provide at least 70 percent of the number of homeownership opportunities proposed in the application for an implementation grant within the timeframe specified in § 572.210(f) may result in remedial actions, as described in paragraph (b) of this section, being taken by HUD, including requiring repayment of all or part of the grant.

#### **§ 572.230 Cash and Management Information (C/MI) System.**

Disbursement of HOPE 3 grant funds is managed through HUD's Cash and Management Information (C/MI) System for the HOPE 3 program. Funds that may be disbursed through the C/MI System include funds awarded to the recipient and obligated through the grant approval letter issued by HUD. HOPE 3 funds are drawn down by the recipient or its authorized designee from a United States Treasury account for the program, using the Treasury Automated Clearinghouse (ACH) System. Any drawdown of HOPE 3 funds from the United States Treasury account is conditioned upon the submission of satisfactory information about the program and compliance with other procedures specified by HUD in HUD's forms and issuances concerning the C/MI System.

#### § 572.405 Nondiscrimination and equal opportunity requirements.

In addition to the nondiscrimination and equal opportunity requirements set forth in 24 CFR part 5, the following requirements apply to homeownership programs under this part:

(a) *Modification of fair housing and nondiscrimination requirements for Indian tribes and IHAs.* (1) The Indian Civil Rights Act (25 U.S.C. 1301 *et seq.*) applies to tribes when they exercise their powers of self-government. Thus, it is applicable in all cases when an IHA has been established by exercise of such powers. In the case of the IHA established pursuant to State law, the applicability of the Indian Civil Rights Act shall be determined on a case-by-case basis. Development subject to the Indian Civil Rights Act must be developed and operated in compliance with its provisions and all implementing HUD requirements, instead of title VI and the Fair Housing Act and their implementing regulations.

(2) In the case of Indian tribes and IHAs, compliance with the requirements of this section shall be to the maximum extent consistent, but not in derogation of, the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e(b)).

(b) *Affirmative fair housing marketing.* The recipient must adopt a strategy for informing and soliciting applications from people who are least likely to apply, because of race, color, religion, sex, disability, familial status, or national origin, for the program without special outreach, consistent with the affirmative fair housing marketing requirements. (See 24 CFR 92.351 for an example of an affirmative strategy.)

Paragraph (b) of this section does not apply to Indian tribes and IHAs, as described in paragraph (a)(1) of this section.

(c) *Authority for collection of racial, ethnic, and gender data.* HUD requires submission of racial, ethnic, and gender data under this part under the authority of section 562 of the Housing and Community Development Act of 1987 and section 808(e)(6) of the Fair Housing Act.

(d) *Faith-based activities.* (1) Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the HOPE 3 program. Neither the Federal government nor a State or local government receiving funds under HOPE 3 programs shall discriminate against an organization on the basis of the organization's religious character or affiliation.

(2) Organizations that are directly funded under the HOPE 3 program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded under this part. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part, and participation must be voluntary for the beneficiaries of the HUD-funded programs or services.

(3) A religious organization that participates in the HOPE 3 program will retain its independence from Federal, State, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that it does not use direct HOPE 3 funds to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities to provide HOPE 3-funded services, without removing religious art, icons, scriptures, or other religious symbols. In addition, a HOPE 3-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's
